Tailgating Policy

Parking Information
Pre-game tailgating may begin 2 hours prior to the start of the event and must end at the start of the event. Post-game tailgating may begin at the conclusion of the event and must end 2 hours after the conclusion of the event. Tailgating is not permitted during the event.

Only one vehicle is permitted per parking space.

Oversized vehicles such as RVs and trailers may park in designated spaces only and may be subject to an additional charge.

Individual tailgating is limited to the areas in front of and behind each parking stall. Tailgating may not in any way detract from the ability of other fans to access or park in adjoining stalls.

The University reserves the right to restrict vehicles and designate parking spaces for safety reasons.

Tailgating
Active sports (e.g. frisbee, bean toss, football throwing, etc.) are allowed as long as the activity does not endanger anyone around them. Event staff may determine when an active sport is dangerous to those around them or is inhibiting the event.

Tents, canopies and tables are allowed, but are not to inhibit traffic flow or prevent emergency access to areas of the parking lot. The use of tent pegs or similar semi-permanent attachment structures in all UW-River Falls parking lots is prohibited.

Propane and gas grills are permitted but may not be left unattended. Charcoal or other grills/containers with an open flame are not permitted.

Soliciting and commercial advertising is not permitted. Sales and advertising by anyone other than those approved by the University are prohibited.

All fans using the tailgating lots are expected to conduct themselves responsibly and to be respectful of others enjoying the tailgating experience.

Patrons are requested to clean up their tailgating areas before departing. Trash receptacles are provided.

Pets are not allowed in the tailgating area or in the stadium.

The University and its representatives reserve the right to adjust or restrict actions beyond those outlined in this policy to provide for the safety and security of the event.

The use or possession of alcohol beverages as part of tailgating activities described in this policy is prohibited.
